

The goal of our preschool program is to provide each child with many age appropriate learning experiences in a loving Christian environment. At Our Savior we emphasize the “whole child” which stresses: spiritual, cognitive, language, social, emotional, creative, large motor and fine motor skills and development. Themes are used to introduce and develop concepts through large group experiences, small group experiences, play, exploration, and the use of centers.

Communication between home and school begins with a “home visit” in August (for those already registered) and continues with weekly newsletters or monthly calendars and updates.

#### Tuition Assistance

Limited funds for both members and non-members who qualify are available to help with tuition. Grant Applications through F.A.S.T. (Financial Aid for School Tuition) are available on our website at [oslsloouisville.com](http://oslsloouisville.com).

Our Savior Lutheran School is a mission of and is supported by our church. All students are enriched by priceless learning experiences and are able to develop life-long friendships. Our tuition reflects the cost of providing quality education and programs.

We welcome children without restriction due to race, color, gender, nationality or ethnic origin to enroll at our school.

If you do not have a church home we invite you to worship with us. If you are interested in finding out more about Our Savior Lutheran Church membership, please contact Pastor Cook at 426-1130.
